Rechtsanwalt
Fachanwalt für Bank- und Kapitalmarktrecht

Roman Jordans – Seminars

Roman Jordans has been a speaker on legal topics for a number of years.

His focus here is on various aspects of banking law.

The participants regularly praise him for his hands-on approach.

A full list of his assignments in German can be found on the German version of this website. A list of his assignments in English can be found here.

Participation in Banking Law Conference, Sydney, Australia, 2026

In 2026, Roman Jordans, was a speaker at a Banking Law Conference in Sydney, Australia, organised by Law Firm Deutsch Miller, New Chambers Barristers as well as the German-Australian-Chamber of Commerce.
